Aparcamiento para bicicletas, Zúrich (Suiza)

Bicycle Parking, Zurich (Switzerland)

Cinco prismas de base rectangular de hormigón armado, contruidos con encofrados de tableros de madera, albergan un pequeño aparcamiento para las bicicletas de los alumnos de un centro de educación secundaria.

Five prisms with rectangular bases of reinforced concrete, built with formworks made of wooden boards, provide a small parking facility where the students of a secondary school can park their bicycles.
